

SAILOR MOON: ANDROMITA FACTOR Episode 1 - A Blast From The Past

(The scene opens up on the bridge of the space ship “stardust.” A man in a uniform decorated with medals stands in front of A computer screen reading the status of the ship. Two figures walking one holding a gun at the other ones back.)

Voice: The prisoner you asked for father.

Raydon: Thank you, Andromita. So the murder, Geo. Warrior of the so called Negaverse. You where a hard one to catch but in the end we got you.

Geo: You caught me because I allowed you to, Admiral, nothing more.

Raydon: Your hiding something important and I want to know it right now!

Geo: And that would be?

Raydon: The base of the Negaverse, where is it?

Geo: Oh please, you don't think I'm that stupid. Your a bigger fool than I thought! You don't get it do you?

Raydon: What are you talking about.....

Computer: Emergency signal coming from Moon base.

Raydon: What? On screen!

Message: Stardust come in Stardust.

Raydon: Stardust here. Admiral Raydon reporting what is the emergency, Moon base.

Message: The mission you where sent on was a trap to weaken our forces. We are under heavy attack we need major back up A.S.A.P.

Raydon: (turning to Geo) You, you did this. If One hair is harmed on them I will do more than kill you .

Geo: Ah you finally figured it out. To bad you are to far away to save your precious Moon kingdom.

Raydon: Computer set a course to Earth's moon, maximum warp. Andromita escort this trash to the brig. His presence disgusts me

Andromita: Yes father!

(Andromita takes Geo out the room we continue to watch the two walking down the ships hall a metal figure watches from the shadows)

Andromita: March you low life.

Geo: What no sympathy for your prisoners Andromita and here I thought we could get to know each other better

Andromita: I don't fall for sleaze like you Geo

Geo: You think that you and Raydon can possibly stop the great and powerful Negaverse

Andromita: I haven't lost yet

Geo: Really is that so

Andromita: Thats so Now move

(back at the Bridge)

Message: Admiral we have just received information on casualties. We have a belief that the princess and her court have been destroyed. You are our last hope of survival.

Raydon: The Princess, no this can't be happening. What about the Queen?

Message: She is fighting off the enemy, but her strength is almost gone.

(Brig Andromita walks Geo toward his cell and gets ready to place him inside when there is an explosion above them)

Geo: So my minions came in handy after all

(smoke fills the room)

Andromita: Geo, Show your self coward where are you?

Geo: Im afraid my dear I must depart.

Andromita: Come Back >Cough< Here

Voice: Mistress I m here to assist

Andromita: Curcit !!?

(Back on the Bridge before the explosion)

Moon Base: (we see light fill the room) What? What's going on? Are we discovered? The light its from..... dear god it's the Sliver Imperial Crystal.

Raydon: Moon base come in Moon base answer me. Computer what was the light that they where talking about.

Computer: Light is from the power of the Sliver Imperial Crystal origin unknown. Warning unidentified energy source headed on direct course with this ship.

Raydon: Evasive maneuvers

Computer: Affirmative.....attempt has failed collusion in five minutes

(there is a faint explosion heard at the back of the ship)

Raydon: What was that?

Computer: Minor damage to the brig beginning repairs.

Raydon: The brig no, Andromita?

Computer: Warning prisoner Geo has escaped his prison cell

Raydon: No this cant be happening

(Just then the door opens and Andromita and Curcit come running in)

Andromita: Sorry father it seems he had every last detail of this mission planed.

(Geo bursts in the room)

Geo: Well if it isn't our captain and his little pest of a daughter.

Raydon: Geo how did you escape.

Geo: Oh well if I told you that I wouldn't have the time to get off this doomed vessel

Raydon: You monster!

Geo: That's it give me the chance to bid you a fond farewell. "Dark Shot" (a beam of from his hand dark light burst aimed at Andromita but Raydon get in the way of the blast getting hit right into the chest)

Andromita: Father No!!! You monster I'll hunt you down no matter where you go I wont rest till your carcass lines his coffin .

Computer: Impact in one minute

Geo: Ah that's my que to leave. Fair poorly my dear its been fun while it lasted.

Andromita: Come back here!

(Geo runs out and Andromita begins to head after him only to be stopped)

Raydon: No, Andromita hes not worth it. Let him go.

Andromita: Father?

Raydon: Come here let me see you beautiful face one last time.

Computer: Impact in thirty seconds.

Andromita: I'm here father.

Raydon: I know. Now listen I have something to tell you I know that you have a future and in that future you can get your revenge.

Andromita: But how?

Raydon: Can hear your mother tell it to me.

Andromita: My mother but mom is dead.

Raydon: No we hid that form you because you where different

Andromita: But.....

Computer: Impact in ten seconds

Raydon: You will learn when the time is right but understand this. No matter what you must defeat the Negaverse if the people of the moon are to have any future. You must swear your loyalty to this mission here.

Computer: Nine.....eight.....seven

Andromita: I promise father they will not win this war.

Computer: Six.....Five.....Four.....

Raydon: Thank you and remember you are never alone in this battle

Computer: Three.....Two.....One.....

Andromita: Good-bye, father. Father I will never for get you

(a bright light surrounds the ship and we see Andromita floating in here crystal bubble toward Earth)

Raydon: Farewell Andromita..... Curcit I must ask this of you

Curcit:: Yes master

Raydon: Store this in side your memory data and send it to Andromita's wrist computer when you two are reunited you will be able to give her the powers her mother gave her understand

Curcit: Yes

(Curcit takes a dark crystal from Raydon and his robotic form falls apart along the floor after having sent a signal to Andromita's wrist Computer. We end by focusing on the ship as it remains dead in space)

(Scene opens it is three years after the scouts defeated Queen Beryl under the shade of a tree outside of their high school Serena, Lita, Amy, and Mina sit talking to their guardian cats Luna and Artemis.)

Lita: it's been so peaceful recently

Mina: Yeah, we haven't fought the Negaverse in almost a month now.

Luna: But that we can't let our guard down there is no telling when they'll strike again and when they do we must be ready.

Amy: true, but still it can't hurt to enjoy our peace Luna

Artemis: Yeah lighten up Luna. There's no way the Negaverse come back so suddenly.

Lita: Well anyway its good to finally have time to ourselves.

Mina: Yeah.

Serena: Say how about we go shopping after school?

Luna: With what you spent the last of your allowance on that monstrosity you called a snack yesterday.

Serena: Hey it wasn't that big.

Luna: Oh so the fact that it's name is "Godzilla's Dessert" is just to fool the customer.

Serena: Hey I didn't eat it all Darien had a little of it.

Luna: It's meant to feed six people!

Serena: Ummm.....

Lita: You ate that all by yourself, Serena, you know your going to get fat.

Serena: Hey I thought you where on my side (Serena watches a beam of light fall in the distant sky) What was that?

(elsewhere we see Andromita out of uniform and in T-shirt, jeans, and jacket)

Moyria: Where? Where am I?

W.Com.: The planet Earth on the outskirts of the city of Tokyo the year is 1997.

Moyria: 1997? It's been over a thousand years. Computer contact the Moon kingdom.

W.Com.: Denied Moon kingdom no longer exists. Life forms that are from the Moon kingdom. discovered nearby.

Moyria: How many?

W.Com.: Twelve total. Two guardians, nine females and one male.

Moyria: Identify.

W.Com.: The princess and her court.....the earth prince Darien and agents Luna and Artemis.

Moyria: The princess how did she survive I thought she died in our last battle?

W.Com.: The power of the silver imperial crystal brought her back to life. Just as it brought you here.

Moyria: So she's responsible for bringing me here to fight an endless war.

W.Com.: In order to blend in with public you need a disguise an alias is already set for you. Alias is Moyria Gatent.

Moyria: Good now I need some way to change back to Andromita

W.Com.: Suggest the Curcit unit.

Moyria: Right build the unit.

W.Com.: Denied, materials needed.

Moyria: Materials well I guess I find something near by

(Meanwhile in a warehouse on the docks of Tokyo)

Geo: Ah just what the newest leader of the Negaverse needs, weapons. You, drone.

Drone 1: Yes master.

Geo: You and the others take these weapons back to base and send for some monsters will you. I'm going to have some fun with these so called Sailor Scouts.

(We see Geo pull the fire alarm and almost instantly hear sirens.)

(Meanwhile Serena is just leaving class when eight police cars go fling by)

Serena: Wow I wonder what's going on

Luna: Serena why have you not answered your communicator

Serena: Huh? What are you talking about, Luna?

Luna: We have Been calling for over an hour.

Serena: Oh so that was the ringing I've been hearing all day

Luna: Get with it Serena the Negaverse is attacking a warehouse

Serena: The Negaverse ? HAHHAHAHA. That's a good joke Luna.

Luna: ITS NOT A JOKE NOW GET GOING

Serena: All right you don't hafta shout it you know

Luna: Hurry up will you

Serena: Fine I'm going

(We see Serena and Luna run off down the road)

(Later at the TV station KVPN 16. In the producers office a star reporter is discussing her next project with her boss as a curious Darien listens behind the closed door)

Reporter: Sir, you wanted to see me.

Reyhard: Yes Ms. Calvin. I want you to cover Downtown

Sayrun: You mean the Warehouse that some monster is holding hostage.

Reyhard: Exactly now listen up I just heard that the Sailor Scouts have appeared and are attacking the monsters. I want you to get me the one thing that every TV station this side of the hemisphere.

Sayrun: Well my camera man is sick and we have no time to get a replacement.

Reyhard: I don't care if you get someone from the street just get me an interview with the Scouts got it

Sayrun: Yes sir Mr. Reyhard

(outside of Mr. Reyhard's office)

Darien: (to him self) The Scouts are in trouble. I have to get there and fast.

(Down a lonely road Moyria is walking as Police Cars go speeding, by Then we see Darien speed by on his motorcycle, and finally a Van pulls along side of the road and Sayrun sticks her head out of the drivers side window.)

Sayrun: Hey you!

Moyria: Who, me?

Sayrun: Yeah, Listen. How would you like a job. You see I have a interview to make and I need a camera person.

Moyria: (to self)[I would be able to get some money to buy some materials for the Curcit unit] All right, I'll take the job.

Sayrun: Right, now get in and I'll tell about the camera and what I need you to do on the way.

Moyria: Sure

(we watch as the van drives off in the distance) (meanwhile at the warehouse)

Luna: Sailor Moon behind you!

S.Moon: I see it Luna.

S.Merc.: There are two many of them. We can't handle this many at one time.

S.Mars: Hold in there Mercury.

Artemis: Where did these monsters come from any way?

S.Venus: That's a good question Artemis? Mercury can you use your computer to figure it out.

S.Merc.: I could try but it would take sometime.

S.Jupit.: We'll give you as much time as we can Mercury.

Tuxedo: Watch out scouts their making another attack.

(Outside the noise of the battle can be heard over the ring of sirens. One side of the building we see Sayrun and Moyria breaking in)

Moyria: Tell again why we are breaking in?

Sayrun: Hey in order to get an interview I hafta get by the police. (turning the knob the opens wide without the slightest trouble) That's odd its unlocked. Oh well come on lets get going.

Moyria: All right cameras ready in 2.....1.....

Sayrun: This is Sayrun Calvin for News 16 around the corner is the infamous Sailor Scouts.

Moyria: (thinking) The Sailor Scouts? Their here?

Sayrun: Lets see if we can get their attention (we Sayrun turn the corner with Moyria and the camera in tow. Sailor Moon turns seeing Sayrun come into the open. The other Scouts quickly take notice)

S.Moon: What the? Who are you?

Sayrun: Sayrun Calvin of News 16. Could I speak with you scouts?

S.Venus: What is she nuts? We are in the middle of a battle here.

S.Moon: Oh wow are we on TV!?!

S.Jupit.: This is no place for an interview lady.

S.Mars: Yeah get out of here before you get hurt

Sayrun: Hey the press has rights you (before she can finish, a little monster comes swooping down and runs off carrying Sayrun.) Hey let me go. Somebody help me!!!!

S.Mars: Well can't say we didn't warn her. Hey where did her camera man go.

S.Venus: Probably ran off.

S.Jupit.: Yeah, but the camera is still there

(In a nearby closet)

Moyria: Computer is there the right materials to make the Curcit unit

W.Com.: Yes, Starting construction of Curcit Unit.....

Moyria: Hope it works.

W.Com.:Unit is complete

Curcit: (static)Who? What? When? Where? How? Why? Oh hello mistress how can I help you

Moyria: I need to transform quickly. I was told you could help me.

Curcit: Affirmative. Query? I wish to know why?

Moyria: No time to talk just do as I tell you.

Curcit: Yes mistress. (a panel opens up from Curcit's body dropping the crystal on the ground) Here this use this crystal pendent and say " Galactic Power Transformation"

Moyria: Right, " Galactic Power Transformation" (we see Moyria transform into Andromita)

Curcit: Transformation is complete.

Andromita: Good. Now stay here Curcit.

Curcit: Negative I am Programmed to fight as well.

Andromita: I said stay.

Curcit: But, mistress

Andromita: Stay or become a toaster oven

Curcit: I will remain here, mistress

(Back with the scouts Geo has just appeared before them)

S.Moon: Hey who is that?

Geo: I am Geo ruler of the new Negaverse and for the death of our queen you have been ordered to die Scouts

S.Venus: This guy sure looks serious

S.Jupit.: Now what can we do we are surrounded

Geo: You can die Sailors "Dark Wind Encircle"

S.Mars: It's some kind of Tornado

S.Merc.: I don't see a way out

S.Moon: WAHHAHA.....I'M TO YOUNG TO DIE!!!!

Luna: Oh what a heroine

Tuxedo: Just what do you want, Geo.

Geo: For you to die of course

Andromita: I'm afraid I wouldn't let you do that, Geo.

Geo: What how could a weak brat like you survive

Andromita: Your going to pay for my father, Geo.

Geo: Tisk, Tisk you never learn do you. After a thousand years "Dark Beam"

Andromita: "Light Prismic Blast"

(the two beams crash into each other and explode in a flash of light)

Geo: A new trick I see. Very well I will retreat for now, but we will meet again

(he vanishes in to the shadows)

Andromita: No, come back here!

S.Venus: We are saved???

S.Moon: Huh, who is that?

Andromita: First the villain and now the traitor.

S.Moon: Huh, just what are you talking about?

Andromita: Die, Sailor Moon.

(We see Andromita pull out her laser and aim it at Sailor Moon)

To Be Continued in the next episode.....

S.Moon Says: stranger shows up and offers you a ride you really should decline even if they say they know you. Remember it is always best to play it safe. Sailor Moon Says.....See yah! =^)

Preview of the Next episode: Just who is Andromita and why does she want to kill me of all people trouble brews as the scouts face one of their own kind and to top it off Darien has started to hang out with the newest employee and even gets her an apartment a couple of doors next to him Oh when I get my hands on them They are history. it will all be in our next episode of Sailor Moon Andromita Factor "Target Sailor Moon"
